The Sacrament of the Anointing of the Sick is available to be celebrated with anyone in need. Please do not wait until death is imminent to contact the parish regarding an ill family member. ## **God's Plan for Giving - Tithing**

Tithing is God's plan to support His Church. Full tithing means 10% of gross income to God. We ask half of this, or 5%, for your parish Church. The other 5% goes to your favorite charities.

### ***A Note from the Not-Pastor's-Desk***

In the article *A Guide to Transforming Faith Formation*, religious educator John Roberto maps out strategies for Religious Education in the era of COVID-19. In order to help understand our current situation, Roberto refers to an article entitled *Leading Beyond the Blizzard* which speaks of three different ways to describe what we are going through together: *blizzard*, *winter*, and *ice age*. A *blizzard* is a short-term event; the expectation is that the hostile conditions and the need to shelter due to zero visibility will be over soon. *Winter* persists for a bit longer- one can go out, but not for extended periods. Winter is inhospitable and requires adaptations such as protective clothing, but it is a season and as such it is generally predictable. An *ice age* is more persistent, there is no certainty with regard to its duration. An ice age requires us to think of new ways of doing things beyond protective clothing and seeking temporary shelter to the extent that an ice age is “in many ways more far-reaching than merely hunkering down for a few days or weeks...”

Perhaps you sense where we are going with this analogy. Religious Education is in a state of flux, as is education in general. Stopgap measures have been put in place; we have emerged from the pandemic *blizzard* and are working through the *winter*. At this point we need to consider our uncertainty about the resolution of our current scenario. Roberto feels we need to plan as if we are entering an *ice age* as we do not know when we will be back to “normal”, and whether (if ever) every aspect of our day-to-day lives will return to just the same as it was nine months or a year ago.

Whether we are about to enter another *blizzard*, will go through an extended *winter*, or are at the threshold of an *ice age*, what the future holds out for Religious Education in our Church throughout the world and here at St. Mary's is on the front burner right now, and I am writing this week to ask for your help.

We at St. Mary's have appreciated the ways that so many of you have continued to generously support the parish, our food drives, and fundraisers throughout the COVID-19 *blizzard* and *winter*. I would love to write something like “yes, the *blizzard* has passed and everything will be just as it was any day now!” — but this is simply not the case. We need to ask for your support of our Religious Education efforts. Reach out to family members, neighbors, and friends who should be a part of our efforts. It is not too late to contact us and enroll into our program which will be 20 weeks in length. The “virtual” program as it is being offered has glitches, is far from ideal, and it is going to be under constant evaluation and revision. But just as in other aspects of our Church and personal lives, we are adapting to survive the pandemic *winter* in anticipation of discovering where we are being led as a community.

Our catechetical documents state again and again that our primary aim is to put our families and their children “*not only in touch, but also in communion and intimacy, with Jesus Christ*”. Whether we feel that we are nearing the end of the pandemic and its restrictions, or sense that we are entering the COVID-19 *ice age* of indefinite length, this is no time to pull back from Religious Education and our goal! If anything we need to re-focus to emphasize the importance of *communion and intimacy with Jesus Christ* even more in our families, communities, and world.

***Advent Giving Tree – The Nurturing Place (York Street Project)***

Normally around this time of year, we are getting ready to let you know what Christmas gifts we would be asking for you to donate to send to the children of the *Nurturing Place* and their moms. This year, as everyone knows, is not "normal". Below is an excerpt from the email they sent to us as about how we can help them celebrate Christmas this year:

*I am reaching out today with regards to Christmas. YES! I did say CHRISTMAS! It seems so, so far away, but is just around the corner. This year, due to very restrictive regulations, we are approaching the holiday season very differently. It saddens me greatly that we will not be able to provide in the same way this year to our families who so look forward to the beautiful and thoughtful gifts you all provide. We want to keep some sense of the holidays here for our families, so our goal is to still assist with a little "Christmas Magic" the best way we can. Our only reasonable solution to meeting the very strict health and safety regulations is to not seek gifts as we have done for so many years in the past, but instead provide **gift cards** to the families. We know and understand that this definitely puts a very different feeling to the spirit of giving and we absolutely understand if this year you decide not to organize and donate. However, if you are able to assist us, we would truly be grateful. We are fortunate that so many of our families have returned and are back in our care. We would like to prepare them as soon as possible for the holiday season.*

Based on the past generosity of the people of St. Mary's, we agreed to ask for gift card donations so that we may help the Nurturing Place prepare for Christmas this year. The following is the list of suggested gift cards we are asking you to provide (any amount which you feel is affordable is appreciated):

We greatly appreciate any donation you can give us. Please drop off your donation(s) marked Giving Tree to the parish office or to the collection boxes by **Wednesday, Dec. 9<sup>th</sup>**.
