## Stewardship Reflection

By David Baranowski

### 4th Sunday of Ordinary Time

"Love is patient, love is kind. It is not jealous, it is not pompous..." (1 Corinthians 13:4)

Do you get jealous? Do you focus more on the things that other people have than on the gifts that God has given to you? Are you pompous? Do you acquire more possessions to impress others? At times we are all guilty of these things. Pray for more humility. Humility helps us become less "self-centered" and become more "God-centered" for the sake of others.

#### ~\*~\*~\*~\*~\*~\*~\*~\*~\*~\*~\*~\*~\* **Blessing of Throats**

Blessing of Throats

St. Blaise's Feast will be on Thursday, Feb. 3rd. The presider will give the traditional blessing of the throats from the altar at the end of the Mass. Afterwards, those who wish for the

traditional imposition of candles are welcome to come forward.

On Sunday, Feb. 6th, the St. Blaisé throat blessing will be given at the end of all Masses. There will be **NO** imposition of candles.

We have received a letter of thanks from the York Street Project for all the gifts cards sent to them this year in place of gifts from our Advent Giving Tree. Thanks to your generosity, we were able to send them over 250 gift cards and an additional monetary donation.

I have also received thank you letters from families who received Thanksgiving and Christmas turkeys or hams along food boxes from our parish food pantry. We received so many turkeys and hams that we will be sending all the extras to the Center for Food Concern in Englewood. Your generosity made this all possible.

I am deeply grateful to all of you for your continued support of St. Mary's through these difficult times. Your generosity to our Christmas collection and the collection for Christmas flowers is deeply appreciated. A special word of thanks to all those who support St. Mary's through electronic giving.

The past year has been filled with much hope and some great disappointment. The promised vaccines gave us hope that the covid crisis would soon end. The emergence of new variants reminds us that we all must remain vigilant in the battle against the deadly virus.

As we move forward, hopefully the vaccines will allow many more people to safely return to weekly mass attendance. We will continue to live stream mass for those who cannot do so. Each of us must decide how to best protect ourselves and our loved ones from this incredibly serious virus.

Will covid eventually be conquered or will it continue to haunt us for years to come. Only God knows for sure. What we do know is that we all have a responsibility to do what we can in the battle against covid. Those who can should be vaccinated. Pope Francis has called getting vaccinate an "act of love" and "a moral obligation." We must also take any necessary steps to help prevent the spread of covid such as wearing masks and avoiding crowded spaces. Most of all, we must place our trust in God who will continue to guide us through this covid crisis

Fr. Carey
